W	ARNING:		
Petitioner/applicant is cautioned to avoid submitting perso	nal information in documents filed in a patent application that may		
contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card			
numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by			
the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them			
to the USPTO. Patitioner/applicant is advised that the rec	ord of a patent application is available to the public after publication		
of the application (unless a non-publication request in com	pliance with 37 CFR 1.213(a) is made in the application) or issuance		
of a patent. Furthermore, the record from an abandoned	application may also be available to the public if the application is		
referenced in a published application or ad issued patent (s	see 37 CFR 1.14). Checks and credit card authorization forms PTO-		
2038 submitted for payment purposes are not retained in the	ne application file and therefore are not publicly available.
